Learn to love for life.

Engaged Encounter is now working with Twogether in Texas to promote healthy marriages. Through the Twogether in Texas program couples who complete certain premarital classes and workshops do not have to pay the \$60 state fee for their marriage license. County fees still apply. Upon completion of the Engaged Encounter Weekend couples will receive a certificate that they can take to their county clerk when they apply for their marriage license. The certificate is good for one year and serves as proof that the couple is eligible for the discounted marriage license fee.

WHAT IS ENGAGED ENCOUNTER?

Engaged Encounter is an investment in your future. It is a weekend in which an atmosphere is created for each engaged couple to concentrate exclusively on one another, free of the tensions, pressures, and interruptions of daily living. It is a weekend specifically designed to give you, as a couple planning for marriage, an opportunity to talk honestly and intensively about your prospective marriage together—your weaknesses and your strengths; your desires, ambitions, goals; your attitudes about God, education, money, sex, children, family; and your role in the Church. The weekend encourages the couple to concentrate on building a life long relationship.

WHAT HAPPENS ON THE WEEKEND?

Through a series of ideas presented by a team of married couples and a priest, the couple is encouraged to talk privately with each other on all aspects of married life, always from the viewpoint of their own relationship. Personal reflection and discussion as a couple are the main thrust of the weekend. Celebration of the Mass is included as a part of the weekend. Confession is also available for those who want to make use of the sacrament.
